Hatching Chick Necklace

Step 1

Attach ribbon to the bottom half of the plastic egg with glue.

Step 2

Make the fuzzy chick by gluing two yellow pom poms together. Add two wiggle eyes and an orange construction paper triangle for a beak.

Step 3

Put the chick in the egg to hatch.

Craft Notes

Adult supervision is required at all times.

Tip

For additional educational value, also read a book with the students about how eggs hatch.
